**NOTICE OF PROTECTION PROVIDED BY
IOWA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Iowa Life and Health Insurance Guaranty Association Act (the "Association") and the protection it provides for policyholders. This safety net was created under Iowa law, located at Iowa Code Chapter 508C, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, health insurance company or health maintenance organization becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Iowa law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

Life Insurance:

- \$300,000 in death benefits
- \$100,000 in net cash surrender and withdrawal values

Health Insurance:

- \$500,000 for health benefit plans (see definition below)
- \$300,000 in disability income protection insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits, including net cash surrender and withdrawal values

Annuities:

- \$250,000 in the present value of annuity benefits, including net cash surrender and withdrawal values.

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in the applicable Iowa law and generally includes

hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

Note: Certain policies and contracts may not be covered or fully covered. If coverage is available, it will be subject to substantial limitations and exclusions. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements under Iowa law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which the long-term rider relates. To learn more about the Association and the protections it provides, as well as those relating to group contracts or retirement plans, please visit the Association's website at www.ialifega.org, or contact:

The Association is subject to the supervision of the Commissioner of the Iowa Insurance Division. Persons who desire to file a complaint to allege a violation of the laws governing the Association may contact the Iowa Insurance Division. State law provides that any suit against the Association shall be brought in the Iowa District Court in Polk County, Iowa.

Insurance companies and agents are not allowed by Iowa law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on

Association coverage. If there is any inconsistency between this notice and Iowa law, then Iowa law will control.
